AGENDA

Joint Webinar European Commission DG SANTE & EPF

Shaping a European Health Data Space for patients and with patients

21 May 2021 · 10:00 - 12:00, GoToWebinar

This joint EPF and European Commission webinar aims to inform and engage EPF members and the broader patients' community on the consultation process for the **European Health Data Space (EHDS)**. During the webinar, following an introduction on the recent EPF work on the topic, DG SANTE representatives will share the overall plan for the EHDS, and discuss how the upcoming consultation will seek inputs on its core pillars. Following the presentations, the participants will be able to engage with questions and by sharing their views on the EHDS elements from the patients' perspective.

10:00-10:10	**Introduction and summary of EPF work on Digital Health** *Michele Calabro', EPF Policy Adviser*
10:10-10:20	**Overview on the European Health Data Space concept and next steps** *Ioana-Maria Gligor, DG SANTE, European Commission*
10:20 – 11:40	**The consultation process – focus on the EHDS pillars:** • **Strengthening cross-border exchange of health data for healthcare and enhancing patient access to their health data** – *Hugo Van Haastert* • **Fostering a single market for digital health services and products** – Ander Jauregui Elustondo • **Setting up governance mechanisms and rules to facilitate access to health data for research, innovation, policy making and regulatory decision** – Isabelle Chatelier • **Transparency, liability and trust for AI in healthcare** – Yiannos Tolias **The presentation of each pillar (5') will be followed by a dedicated discussion (15')** *DG SANTE, European Commission*
11:40-12:00	**Follow up discussion patients views on the EHDS & conclusions** *Michele Calabro', EPF Policy Adviser*
