

Health Collaboration Awards

ABOUT

In order to share best practice on multi-stakeholder collaborations that benefit patients and healthcare systems EFPIA, in partnership with the Patient Think Tank, is establishing the Health Collaboration Awards

THE HEALTH COLLABORATION SUMMIT
28-29 October, Brussels

The event will focus on outcomes driven, and sustainability of health systems. For more information, visit our event page [here](#).

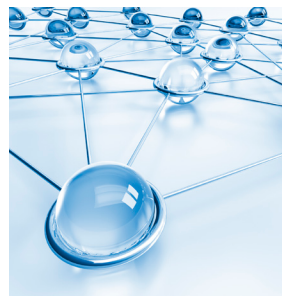

ENTRANCE

The Award is open to multi-stakeholder collaborative projects on national and EU level that benefit patients. Entrants must include patient organisations and industry partners.

CRITERIA

- Improving patient outcomes
- Patient benefit
- Innovation
- Collaboration
- Sustainability

APPLICATION PROCESS

Applications should be submitted to HCSAwards@efpia.eu by Monday, 5 October 2015. Entries will be assessed by a multi-stakeholder panel comprising of patient organisation representatives, healthcare experts and industry representatives.

...AND THE WINNER IS

The winners will be announced at the 2015 EFPIA Health Collaboration Summit.
