BETTER
HEALTH
IN EUROPE**

OUR VALUES

Patient-Centred,
Empowering
Patients

OUR VISION

All patients with chronic and/or lifelong conditions in the EU have access to high-quality, patient-centred equitable health and social care.

OUR VALUES

Health in all policies,
Inclusive

The EUROPEAN PATIENTS' FORUM (EPF)

is an umbrella organisation that represents the interests of patients to the European institutions in public health and health advocacy.

Our members consist of pan-European disease-specific and national coalitions of patient groups.

When you join EPF, you are joining one of Europe's strongest collective patients' voice promoting public health issues surrounding equitable access, affordability and quality of healthcare at the European Union level.

OUR VALUES

Non-discrimination,
Health equity

OUR MISSION

We ensure that the patients' community drives policies and programmes that empower them to be equal citizens in the EU.

OUR VALUES

Consultative,
Independent,
Transparent

OUR VISION

All patients with chronic and/or lifelong conditions in the EU have access to high-quality, patient-centred equitable health and social care.

Health Literacy

Promote better access to information and education, to enable informed choices about health.

Healthcare access and quality

Improve health systems to ensure equitable access to sustainable and high-quality healthcare.

Our strategic goals for

2020

Patients' involvement

Advance meaningful participation in the development of health-related policies, programmes and projects in the EU.

Patients' empowerment

Promote policies, strategies and healthcare services that raise patients' awareness and empower them in the decision-making and management of their condition.

OUR MISSION

We ensure that the patients' community drives policies and programmes that empower them to be equal citizens in the EU.

Sustainable patients' organisations

Support the development, growth and capacity building of patients' organisations.

Non-discrimination

Promote policies tackling discrimination and health, social care and education.
