

Name: Konstantina Boumaki

Age: 25

Country: Greece

Name of the Organization:
International Diabetes Federation

About my Organization:

International Diabetes Federation represents the interests of the growing number of people with diabetes and those at risk and has been leading the global diabetes community since 1950.

IDF's mission is to promote diabetes care, prevention and a cure worldwide.

IDF is engaged in action to tackle diabetes from the local to the global level – from programmes at community level to worldwide awareness and advocacy initiatives.

I am an advocate in diabetes and my only goal is to create a safer environment to live in for people living with diabetes. I am a Young Mentor in Young Leaders in Diabetes program of IDF, my organization, and this program has helped me create amazing events and projects in my country to reach my goal.
